IM4

IM4

- An affordable marking system that's convenient, easy-to-operate and can replace your manual machine or the need to outsource your marking tasks.
- Compact and quiet...can easily be set up in your shop, office or retail establishment.
- Complete system includes engraving machine and software, tools, accessories and tutorial.
- Choose from two user-friendly software programs, that include fonts, ornaments and symbols that will enhance your creativity.
- Easy clamping of plates and other objects with self-centering vise.
- Depth nose allows for constant engraving, particularly on uneven surfaces.
- Offer your customers the option to personalize with foil leaf onto leather, wood, vinyl, acrylic or paper to make a beautiful impression.
- Inside ring engraver option available.
- Footprint of only 505 x 260 mm (20 x 10.25 in). Engraving area: 120 x 80 mm (4.72 x 3.15 in).

Inside ring engraver option available

Self-centering vise for easy clamping of objects

Depth nose allows for constant engraving, particularly on uneven surfaces

Personalize with foil leaf onto leather, wood, vinyl, acrylic or paper

IDEAL FOR:

- Watches • Bracelets • ID Badges
- Small Signs • Gift Items • Industrial Tags
- Identification and Legend Plates
